Copy of letter No.4636-B4/53-2 dated 25th March 1953 from the Chief Engineer (Highways) to the Secretary to Government, P.W.D., Madras.

Sub: Tools and Plant -Highways Department - Fixing of hire charges - Regarding.

...

This Department has purchased various plant such as, rollers, lorries, mixers, crushers etc. for the execution of road works. ~~Th~~ In each category of plant, there are different types and makes and their cost prices also vary. Hence the rate of hire for the same category of plant, will be different, considering their cost price. It is not considered desirable, to have different rate of hire for the same category of plant, and this may not also facilitate the recovery of hire charges accurately. It is therefore suggested ~~the~~ to have one rate of hire for one category of plant, which should be worked out based on the average cost of all the plant in that category.

I request approval of Government on the above proposal.
